Subject : Response to United States Patent and Trademark Office Notification dated
01.28.2008 In Respect of Drawings 5-7 Of Patent Application No. 10/749,024

Dear Sir:

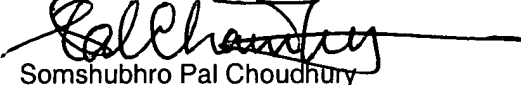

Response to Office Action Regarding clarification of new figures

In response to your Office Action regarding clarification of Figures 5, 6 and 7, the applicant has redrawn the Figures and indicated his intention to have them as replacements of the original drawings in the Patent Application 10/749,024.

The drawings of figures 5-7 are redrawn and attached with this response letter. A total of 7 drawing sheets are enclosed after page number 26 of the original PATENT APPLICATION. The enclosed three sheets are marked as 5 of 7, 6 of 7 and 7 of 7 which "REPLACE" the last three drawing sheets of the original Patent Application.

The Applicant respectfully request early and favorable action in his case. If the Examiner believes a telephone conference would clarify details to accelerate action on this case in any way, the Examiner is invited to contact Mr. Somshubhro Pal Choudhury, the Agent for the applicant, Prof Parimal Pal Chaudhuri at 408-910-2936.

Respectfully submitted,

Somshubhro Pal Choudhury
Agent for Applicant
